

How To Make A Complete Submission to Syndic Literary Journal

Send submission to: syndic@syndicjournal.us

1. Written Word – Poetry, Stories, Essays, etc.

- a. Send text as a Word doc attachment.
- b. Send audio narration by author as a MP3 attachment.
- c. Send photo of author as a JPG attachment. (A Syndic-friendly author-photo needs to be “casual”, “interesting” or “different” – or a combination thereof. Most authors send me several photos to choose from).
- d. Send a short BIO as a Word doc attachment. (A short BIO defined: written in third person beginning with the author’s name and cannot be more than 2 sentences in length. If contact information is included, place after the 2 sentences; it does not count against the 2 sentence limitation)

2. Art & Photography

Along with “c” & “d” from above, send the artwork and photographs in JPG format as email attachments.

3. Spoken Word, Music, Etc.

Along with “c” & “d” from above, send the spoken word, music, etc. in MP3 format as email attachments.

4. Filmmaking & Videos & Performance Art

Along with “c” & “d” from above, send links to the YouTube or Vimeo formats of the film or video or performance being submitted.

Please note: Syndic Literary Journal places a great deal of emphasis on the spoken word as part of its literary presentation. Submissions of poetry, stories, essays, etc. must include the author’s narration – or one authorized by the author - in order to be properly evaluated for publication. Thank you – LeRoy Chatfield, Publisher.
