"JESUS CARITAS" OLMSTED COAT OF ARMS

“A nun at a Catholic hospital in Phoenix, Arizona was automatically excommunicated after approving an abortion be performed on a patient in order to save the woman’s life . . . Olmsted confirmed McBride was “automatically excommunicated” because of her involvement in the abortion” (NewsCore 5/16/10)

Dear Mr. Bishop Olmsted,

Arizona is much in the news this month, and your contribution has certainly been a major one. Speaking of “automatic excommunication” I trust you will soon release an official announcement of excommunication for those U.S. Catholic bishops and church officials who orchestrated the cover up of more than 10,000 cases of clerical sex abuse involving children.

Thank you for your attention to this matter.

Jesus Caritas,

Catholic LeRoy Chatfield
